### PROTECTING THE RIGHTS OF CHILDREN IN SOUTH AFRICA

#### LOCATION: GAUTENG | NORTH WEST

#### KEY FOCUS AREAS:

Human Trafficking | Rape Crisis | Woman abuse | Health | Community Development | Water and Sanitation | Poverty Alleviation | Education | Orphan Care | Places of Safety | Drug Abuse | Welfare

During the past decade, there has been increasingly **more attention paid to children** globally, regionally and nationally because of the realisation that they are more **vulnerable** when confronted by **poverty, livelihood securities, social ills, and health pandemics.**

The commitment to children and their future remains a **core value** in South Africa, as well as **SA Cares for Life.**

**Over 25 years we have impacted over 100 000 woman and children.**

Together we can celebrate measurable outcomes.

Through our projects **we aim** to:

1. **Provide basic living needs**, such as clean running water and sanitation.
2. **Safety** to mothers and children.
3. **Education** in all circumstances
4. **Skills Development**
5. Assisting in the **fight against HIV/AIDS.**

The module empowers men and woman from within a community, building trust.

The **bill of rights** in the South African Constitution specifically guarantees that **"a child's best interest are part of paramount importance in every matter concerning the child"**.

Our **Mission** focuses on:

1. **Prevention Programs. Maintaining** families.
2. **Intervention Programs. Protecting** the rights of children.
3. **Specialised Care Programs. Caring** for Woman and Children at risk.

#### **We serve:**

Squatter camps across all nationalities.

Communities in Poverty.

Hospitals & Police Stations

#### **We have:**

10 Homes as places of Safety

5 Early Learning Centres

9 Cluster Care Projects, with more than 29 workers serving from within communities.
